Join us for an unforgettable volunteer opportunity as we put your fire and rescue experience and training to valuable use as we help our brothers and sisters keep themselves and their communities safe.

"The experience with FRITA was transformational; both professionally and personally. It is a wonderful way to learn more about the incredible work that international agencies are doing in the field of emergency response."

-David, Delta Fire & Emergency Services

"Certainly any firefighter who deploys with FRITA in the future will feel that they have taken as much knowledge as they have imparted and will gain new insight to their profession back in Canada."

-Matt, St. Johns Regional Fire Department
